• The tables, figures, and photos that are presented throughout the book are designed to give the reader an instant reference for the precise articulation of English phonemes. The book is designed for use in undergraduate classes of phonology and phonetics. The fifth chapter is also useful for students of conversation classes.

AN INTRODUCTION TO PHONETICS - WordPress.com
pronunciation is so close that a dictionary need only spell a word correctly to indicate its pronunciation. Modern English, however, displays no such consistency in sound and spelling, and so a dictionary of English must devote considerable attention to the pronunciation of the lan-guage. The English lexicon contains numerous eye rhymes

Guide to Pronunciation - Merriam-Webster
Pronunciation Guide for English In the English writing system, many of the graphemes (letters and letter groups) have more than one possible pronunciation. Sometimes, specific sequences of letters can alert the reader to the possible pronunciation required; for example, note the letter sequences shown as ' hollow letters ' in this guide as in
