Anne Frank described the tree from The Annex, the building where she and her family were hiding from the Nazis during World War II. Over the years, the tree deteriorated significantly due to both a fungus and a moth infestation. The Borough Amsterdam ...

The chestnut tree. In the period of over two years (6 July 1942 to 4 August 1944) that Anne Frank spent in hiding in the Secret Annex, nature and her longing for freedom played an ever greater role. Through a window in the attic that was not blacked out, Anne could see the sky, birds and the chestnut tree. She wrote about the tree in her diary three times, the last time on 13 May 1944.

Kohuth introduces beginning readers to Anne Frank, emphasizing her appreciation of the chestnut tree growing outside the Secret Annex, her family's Amsterdam refuge. After briefly explaining Hitler's rise to power, laws discriminating against Jews, and the reasons for moving above Mr. Frank's office, the author details the difficulties of life in hiding and explains that Anne kept a diary named Kitty.

"Hidden away in their Secret Annex in Amsterdam during World War II, Anne Frank and her family could not breathe fresh air or walk under the blue sky for years. But through an attic window, Anne could see the branches of a tall chestnut tree. This small glimpse of nature gave Anne hope and courage. It made her feel that God had not left her.

*Anne Frank's Chestnut Tree by Jane Kohuth - Goodreads*

As Anne wrote about her own hopes and dreamed of a better future, she often looked out upon a large horse chestnut tree in the garden behind the Secret Annex. For her, the tree symbolized freedom as well as nature, which she longed to enjoy once again. Sadly, the aging chestnut tree behind the Secret Annex collapsed from disease in 2010.

*Sapling Project | annefrankusa - Anne Frank Center USA*

The contrasting illustrations highlight the story of Anne's life in the Secret Annex through the backdrop of WWII in Amsterdam. It is certainly inspirational how Anne saw the chestnut tree as hope, while life below was dark and turbulent. Even though Ann and her tree died, Ann's story lives on and so does her special tree through its saplings.

Hidden away in their Secret Annex in Amsterdam during World War II, Anne Frank and her family could not breathe fresh air or see the blue sky for years. But through an attic window Anne could see the branches of a tall chestnut tree. This small glimpse of nature gave Anne hope and courage. It inspired her writing, which, in turn, inspired the whole world. Jane Kohuth explores Anne Frank's strong belief in the healing power of nature in this Step 3 leveled reader biography for newly independent readers ages 5-8.

While hidden with her family in the Secret Annex in Amsterdam during World War II, Anne Frank watches a chestnut tree she can see through an attic window change as the seasons pass, and sees it as proof that God has not forsaken her and her family.

A New York Times Best Illustrated Children's Book A New York Public Library Best Book for Kids, 2016 Told from the perspective of the tree outside Anne Frank's window—and illustrated by a Caldecott Honor artist—this book introduces her story in a gentle and incredibly powerful way to a young audience. The tree in the courtyard was a horse chestnut. Her leaves were green stars; her flowers foaming cones of white and pink. Seagulls flocked to her shade. She spread roots and reached skyward in peace. The tree watched a little girl, who played and laughed and wrote in a diary. When strangers invaded the city and warplanes roared overhead, the tree watched the girl peek out of the curtained window of the annex. It watched as she and her family were taken away—and when her father returned after the war, alone. The tree died the summer Anne Frank would have turned eighty-one, but its seeds and saplings have been

planted around the world as a symbol of peace. Its story, and Anne's story, are beautifully told and illustrated in this powerful picture book.

Simple, funny action words and onomatopoeia describe three silly ducks' rather impolite visit to their Auntie Goose's house. This rollicking, tongue-twisting, rhyming story of three enthusiastic houseguests, paired with the lively artwork of illustrator Viviana Garofoli, is sure to be a speedy favorite of beginning readers everywhere. Step 1 (Ready to Read) is for children who know the alphabet and are ready to read. Step 1 titles have big type and easy words, rhyme and rhythm, and picture clues.

The Diary of a Young Girl, also known as The Diary of Anne Frank, is a book of the writings from the Dutch language diary kept by Anne Frank while in 1942, with the Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

A collection of the author's lesser-known writings includes stories, personal reminiscences, previously deleted excerpts from her diary, and an unfinished novel composed while she was hidden from the Nazis.

"This volume of essays was developed from ... a colloquium convened in 2005 by the Working Group on Jews, Media, and Religion of the Center for Religion and Media at New York University"--Intr.

This engaging biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves. Each book tells the story of an icon in a lively, conversational way that works well for the youngest nonfiction readers. At the back are an excellent timeline and photos. This volume features Anne Frank, whose courage and hope during a time of terror are still an inspiration for people around the world today.

Tracing Anne Frank's life from an early childhood in an assimilated family to her adolescence in German-occupied Amsterdam, Melissa Müller's biography, originally published in 1998, follows her life right up until her desperate end in Bergen Belsen. This updated edition includes the five missing pages from Anne Frank's diary, a number of new photographs, and brings to light many fascinating facts surrounding the Franks. As well as an epilogue from Miep Gies, who hid them for two years, it features new theories surrounding their betrayal, revelations about the pressure put on their helpers by the Nazi party and the startling discovery that the family applied for visas to the US. This authoritative account of Anne Frank's short but extraordinary life has been meticulously revised over seven years.

Everyone knows about Anne Frank and her life hidden in the secret annex - but what about the boy who was also trapped there with her? In this powerful and gripping novel, Sharon Dogar explores what this might have been like from Peter's point of view. What was it like to be forced into hiding with Anne Frank, first to hate her and then to find yourself falling in love with her? Especially with your parents and her parents all watching almost everything you do together. To know you're being written about in Anne's diary, day after day? What's it like to start questioning your religion, wondering why simply being Jewish inspires such hatred and persecution? Or to just sit and wait and watch while others die, and wish you were fighting. As Peter and Anne become closer and closer in their confined quarters, how can they make sense of what they see happening around them? Anne's diary ends on August 4, 1944, but Peter's story takes us on, beyond their betrayal and into the Nazi death camps. He details with accuracy, clarity and compassion the reality of day to day survival in Auschwitz - and ultimately the horrific fates of the Annex's occupants.
