Instructions for Authors: Journal of Blood and Lymph  
Journals Authors should refer to the Committee on  
Publication Ethics (COPE) and the International  
Committee of Medical Journal Editors for full  
information. Authors are also encouraged to visit  
Elsevier's Ethical Guidelines for Journal Publication.

## Blood Journal Authors Instructions

Authors should meet the conditions of all of the points  
above. Each author should have participated  
sufficiently in the work to take public responsibility for  
appropriate portions of the content. When a large,  
multicentre group has conducted the work, the group  
should identify the individuals who accept direct  
responsibility for the manuscript.

## Manuscript Submission Guidelines: Clinical Medicine

...

The cover letter has to contain the following  
information: – authors' names, affiliation and contact  
details; – the statement of compliance with the  
instruction for authors and publishing ethics of the  
Journal; – the statement that the manuscript is read  
and approved by all authors; – the statement that the  
manuscript has not been published and is not under  
consideration for publication by any other journal –  
conflicts of interest – the brief description of each sent
