Based on her bestseller Unwrapping the Greatest Gift, Ann Voskamp expands her presentation of the timeless Advent tradition of the Jesse Tree with this beautiful keepsake book that can be handed down and enjoyed for generations. Each December, families can celebrate the coming of Jesus by opening the book to see a stunning 13-inch, three-dimensional Jesse Tree pop up from the page. At its foot are 25 doors, one for each day of Advent, which hide meaningful, beautifully detailed ornaments—including the Christmas star—that are ready to be hung on the tree. Also inside is a simple devotional book with a reading for each ornament. Create precious holiday memories with The Wonder of the Greatest Gift pop-up book and recapture the sacredness of the Advent season as you celebrate the epic pageantry of the coming of the Messiah.

Christianity and Confucianism: Culture, Faith and Politics, sets comparative textual analysis against the backdrop of 2000 years of cultural, political, and religious interaction between China and the West. As the world responds to China's rise and China positions herself for global engagement, this major new study reawakens and revises an ancient conversation. As a generous introduction to biblical Christianity and the Confucian Classics, Christianity and Confucianism tells a remarkable story of mutual formation and cultural indebtedness. East and West are shown to have shaped the mind, heart, culture, philosophy and politics of the other - and far more, perhaps, than either knows or would want to admit. Christopher Hancock has provided a rich and stimulating resource for scholars and students, diplomats and social scientists, devotees of culture and those who pursue wisdom and peace today.
