4.0 out of 5 stars The Cardboard Box Book: 25 things to make and do with an Empty Box. Reviewed in the United States on 21 May 2007. Verified Purchase. This is a great book to have in your home. I have 3 grandsons and we had a blast making things from boxes with the ideas from this book. It is not just ideas for large boxes, but boxes of all sizes.

~~The Cardboard Box Book: 25 Things to Make and Do with~~

A spiral bound book full of ideas and plans to make a wide range of simple projects for children by recycling cardboard boxes and sheets. Lots of illustrations and pictures combined with understandable text to complete them.

~~The Cardboard Box Book (Cardboard Box Book, The) - Amazon~~

Now The Cardboard Box Book celebrates that spirit by showing Junior (and his parents) exactly how to turn cardboard boxes of all sizes into amazing craft projects, toys, and games. Make an airplane, a tepee, a climbing wall for your action figure, a magnetic fishing game, a coat of arms, or a drum kit. With a little more time, Junior and an adult friend can create their own zoo, playhouse, or aquarium.

The book I'll be showing you how to make here uses 5 sheets of 6 x 18 inch of white paper and a slightly larger sheet of corrugated cardboard, 6.5 x 18.5 inches. You can make your book any size by adjusting the size of the paper and cardboard, but following the same directions. Tip: I collect sheets of corrugated cardboard from boxes I find at various businesses like grocery stores, furniture stores, and office supply stores. The best cardboard is 2-ply.

~~A Handmade Book With a Cardboard Cover - 10 Steps~~

This book has lots of cool projects to make out of cardboard boxes (stove, car, barn, friends...) and it's also a nicely designed book, with die cuts in the cover and an internal spiral binding which is great for projects because the book actually stays open while you're trying to follow the instructions and hold your box/tape/paintbrush/scissors/hole punch all with just two hands.

~~The Cardboard Box Book: Make Robots, Princess Castles~~

Since the beginning of time, parents have known that there is no point buying Junior a fabulous, expensive toy; Junior always dismisses the toy and plays instead with the cardboard box it came in. Now The Cardboard Box Book celebrates that spirit by showing Junior (and his parents) exactly how to turn cardboard boxes of all sizes into amazing craft projects, toys, and games. Make an airplane, a tepee, a climbing wall for your action figure, a magnetic fishing game, a coat of arms, or a drum kit.

In the Cardboard Box, you play as a guy inside an apple box that tries to sneak out of the building. But there are night guards on the watch and they patrol the area. Try to sneak in and camouflage into the boxes of similar fruits so they won't notice. These patrol guards have sharp eye so make sure they won't notice you or its game over. Throw in a bottle cap to distract their attention.

A fun cardboard box craft project to do. You can even use the same instructions and make a life size cardboard box ship. (By Molly Moo) 5) Diaper Box Boat Even the Honest Company is getting in on the cardboard box crafts for kids. Lear how to make a fun boat out of diaper boxes.

Offers craft projects children can create with cardboard boxes, including making a playhouse, giant dice, and a princess castle.

Provides instructions, tips, and patterns for making games, toys, and other objects out of cardboard boxes.

Cardboard is everywhere! For creative kids aged 9 to 14, it's the perfect eco-friendly building material, and Cardboard Box Engineering is the perfect guide to get them started on inventive tinkering. A working kaleidoscope, a marble roller coaster, a robotic hand, and a wind-powered tractor with cardboard gears are just some of the ingenious projects developed by Jonathan Adolph, author of the best-selling Mason Jar Science. Working with simple household tools, kids can follow the step-by-step photographic instructions to exercise their design smarts, expand their 3-D thinking, and learn the basics of physics and engineering with activities that have real-life applications.

With this fantastic earth-friendly book, kids get two unforgettable stories at the same time—one about polar bears and one about recycling! Fun facts, quirky illustrations, and cute photographs take kids into the exciting world of the polar bear in this informative and earth-friendly book. Kids will learn everything from how polar bears hunt and how wide their paws are to where they live and what they eat in this unique look at one of the world's most beloved endangered species. Also, a side panel on each page tells the story of how this book was made from the recycled paper of a cardboard box, teaching children the process of recycling and showing them what they can do to save the planet—and the polar bears! Going green has never been a bigger issue, and with this book—made of recycled material—kids get to help save the planet and the polar bears by putting into practice what they've just learned!

The day the refrigerator arrives in its large brown carton, Christina Katerina and her mother are both excited, but for very different reasons. Christina quickly claims the box, where she creates a castle, a clubhouse, and other fantastic playthings with her sometimes-friend Fats Watson.

51 Things to Make with Cardboard Boxes transforms cereal boxes into monsters, robots and much more. Perfect activities for parents and children to do together. The 51 projects feature a well-balanced mix of techniques, materials, colors and styles for a range of ages.

Cam's down-and-out father gives him a cardboard box for his birthday and he knows it's the worst present ever. So to make the best of a bad situation, they bend the cardboard into a man—and to their astonishment, it comes magically to life. But the neighborhood bully, Marcus, warps the powerful cardboard into his own evil creations that threaten to destroy them all!

If you give a child a box, who can tell what will happen next? It may become a library or a boat. It could set the scene for a fairy tale or a wild expedition. The most wonderful thing is its seemingly endless capacity for magical adventure, a feature imaginatively captured in cardboardesque art and rhythmically celebrated in this poetic tribute. This board book edition of the popular 2016 picture book of the same name takes the literal shape of a box to bring an imaginative concept to life.

Strong, durable, economical, easy to work with, and lightweight, cardboard boxes have all the qualities needed to create functional, and environmentally friendly, furniture for your home and/or office. Packed with 320+ color images and patterns, this guide provides detailed step-by-step techniques for building nine furniture designs, including chic chairs, a giraffe-shaped chest of drawers for a child's room, and an ultra-modern coffee table. Everything from lists of materials and tools to laying out, assembling, and finishing the furniture with a variety of paints and materials is included here. And after acquiring the basic techniques, use the gallery section to develop your own furniture designs. This is an ideal home decor how-to book for anyone looking to repurpose cardboard and easily build functional and stylish furniture.*

From castles to animal masks, pirate ships, and even dinosaurs! You will be amazed at how much you can do with a simple cardboard box. A DIY projects book for kids that use recycling as a way to build creativity, imagination, and interactive play for kids aged 7-12. It features clear step-by-step instructions and detailed photographic explanations that will inspire imaginative minds. The sky is the limit with Out Of The Box! This book is designed to help kids learn and play. They will learn about the idea of upcycling and reusing materials that otherwise would be thrown away. This book has 25 brilliant projects for them to choose from. Detailed instructions and photographs along with colorful inspiration sheets will delight and inspire for hours of endless fun. Out Of The Box will help kids develop their creativity and imagination through interactive play, and inspire them to find a thousand more projects to build. Think Out Of The Box! A box is just a box, right? Wrong! It could be a pirate ship, a butterfly, or a family of penguins! Out of the box will encourage kids to see a cardboard box as more than junk. Kids can build their imaginations and creative skills by reusing household cardboard. Learn to build and decorate a range of projects to share, wear, and play with. This educational book will show kids how to: - Develop cardboard skills - Build a castle, city and pirate ship - Design penguins, butterflies, and rabbits - Create games like ring toss - Produce wearables like Pharaoh's finery and masks - Decorate funky flowers and lazy lizards - And much, much more! DK is all about inspiring young minds, teaching them new skills and expanding their knowledge, imaginations, and perspectives. Help them to realize their true potentials by adding to your DK collection today. Awards Book category winner of the Creative Play Award 2017
